Complete Chaos

Summary: Sometimes it's fun to play with everything legal.

Rules for the run:
- Randomize characters once they start
- There are no rules. Use DLC, Mila's turnwheel, or whatever you want. It's complete anarchy!!

Randomizer settings:
Check everything under classes, then choose whether you want base classes to to be just tier one or also two.

For starting characters: As soon as you encounter a Mila statue in your route, reclass character.

When you recruit a new character: You cannot use them to fight until you reclass to a compatible class.
